Rastelli Europe is a division of a big USA corporation Rastelli Global. We have offices, warehouses and production sites in Poland, the USA, Dubai, Qatar, Saudi Arabia, Bahrain, Belarus, and Ukraine.

Our company manufactures chilled and frozen meat products as well as cooked semi-finished ones and goods made according to customers' specifications.

In some countries, we represent major manufacturers of the aforementioned

products. These manufacturers have Halal and Kosher, BRC and IFS certificates.

The quality of the product is our priority. That is why there is always a full-time quality manager who checks the compliance with the quality of each item at each of our production facilities and production facilities of our partners.

We stand behind each of our products and we are completely sure that you will enjoy it!

Cooked products

WE DO ALL THE WORK FOR YOU!

We have a wide range of processed meat products including burgers, smoked and cooked products. Our production plants are equipped with specialized machinery, which allows us to provide high-quality meat processing. We can develop and produce private label products based on our clients' needs and specifications.

Raw primals beef **HAND SELECTED**

Rastelli Europe cattle are raised in the large open fields and fed a 100% vegetarian diet. For the fantastic marbling and tender beef they're corn finished for 120 days. Like all of our products, all of our beef is antibiotic, steroid, and hormone-free. All bulls from our cattle are Hereford and Black Angus breed.

We do at least 35 days wet aging for an extra deep flavor of our meat. Every cut is expertly trimmed and perfectly portioned to meet the high standards of more than four decades of master butcher tradition and experience. We ensure a high-quality Halal product, relying on the involvement and expertise of various Islamic organizations, they are licensed to supervise, inspect and certify all Halal meat.

The price corresponds to quality. All meat products, especially beef cuts and primals, are hand-selected!

Our quality assurance team inspects each product to guarantee that only the best will appear on your table.
